#### About Paragon Care Limited

Paragon Care (ASX:PGC) is an Australian based listed company in the healthcare sector. It is a leading provider of medical equipment, devices, and consumables for the Australian and New Zealand healthcare markets. These are high growth markets driven by the ageing of the population, continuously rising consumer expectations and increasing government spending. By combining a series of strategic acquisitions of class leading companies, Paragon Care has positioned itself to provide advanced technology solutions including equipment, consumables, and services for acute and ancillary care environments.
